

ARYA SONAWANE

Aspiring AI & Data Science Engineer | Python | Machine Learning | Data Analytics

📞 7517512806 ✉ aryasonawane81@gmail.com 🌐 LinkedIn 🐙 GitHub 📍 Rahata, India

PROFESSIONAL SUMMARY

Aspiring AI & Data Science undergraduate with a strong foundation in Python, SQL, Machine Learning, and Data Analytics. Passionate about solving real-world problems using AI and eager to apply technical skills through internships and hands-on projects.

EDUCATION

Sanjivani University | Kopargoan 2024 - 2028
Bachelor of Technology in Artificial Intelligence and Data Science CGPA : GPA: 7.2

Shri Saibaba JR College | Shirdi 2022 - 2024
HSC Percentage : 54.67
Developed a basic understanding of programming and web development, including HTML, CSS, and JavaScript.

St. John's English Medium School | Rahata 2012 - 2022
SSC Percentage : 67.00

PROJECTS

Stay Spot – Nearby Hostel Finder Application

- Developed a mobile application with a team to help users find nearby hostels based on their location.
- Designed an easy-to-use interface for searching and browsing hostel information.
- Implemented features such as hostel listings, location-based search, and user-friendly navigation.
- Collaborated with team members throughout the design and development process using FlutterFlow.

Technologies / Tools Used : Futter Flow

PredictiX– Multi-Disease Prediction Web App

- Developed a Machine Learning disease prediction system.
- Designed the application interface for real-time predictions.
- Supported research published in **JETIR**.

Technologies / Tools Used : Python, Scikit-learn, Pandas

SKILLS

Programming Languages : Python, C++, SQL, R

Frameworks & Libraries : Numpy, Pandas, Matplotlib, Seaborn

Tools & Platforms : CI/CD, Linux, GitHub, Git, Docker, Kubernetes, Jenkins

Databases : MySQL, MongoDB

Soft Skills : Critical Thinking, Problem Solving, Decision Making

Languages : English, Japanese, Hindi, Marathi

CERTIFICATIONS

IBM: Introduction to Python, Data Visualization

Infosys: Basics of Python

Paper Publication: Muti-deases prdiction
